The Art of Phytomer Spa Treatments

Iconic skin care treatments for face and body, invigorating wellness for the mind and senses, a wide range of rituals inspired by a wealth of resources from the Brittany coast in France and over 40 years of experience in the most respected salons and spas around the world.

The name Phytomer means “plants of the sea”. The company is based in Saint-Malo, France and has been involved in safe and healthy skin care for beauty through “Marine Cosmetics” for over 35 years. It became the first cosmetic brand in the world to transpose marine deposits to modern cosmetology and has a commitment to sustainable development (environmental, social and economic behaviour) by considering impact of using the ingredients from the coast of Brittany.

Phytomer has harnessed the healing powers of the sea providing a variety of face and body treatments tailored to the needs of the individual client.
